AMENDMENT AND RESPONSE

Assistant Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

In response to the Office Action mailed January 30, 2003, for which a one-month extension of time is hereby requested, please amend the application as follows:

IN THE SPECIFICATION:

Please add the following paragraph to the specification between paragraphs [0018] and [0019].

-- As indicated in the drawings, only a portion (such as the end portion) of the positive lead wires 60 and 62 are flattened, such that these lead wires have both a flattened portion and a non-flattened portion. The flattened portion of each lead wire 60, 62 runs alongside its associated filament with the non-flattened portions being located below the filaments where they cause little if any
